To make edits to one of the External Link Pages, click the icon to the right of the page you wish to edit.

To navigate to one of the External Link Pages, click the icon to the right of the page you wish to visit.

An External Link Page allows you to create links on your website that route to either an external website or a page within your current website or a document. Details on how to add and maintain an External Link Page have been included in the [External Link Page](#) section.
