Dyslexia Reporting

In accordance with requirements of Indiana SEA 217, each school corporation shall annually report the following information prior to July 15 each year. The information below is for Elwood Community School Corporation:

- Intervention program used: Orton Gillingham and/or UFLI
- Number of students who received dyslexia intervention: 257
- Number of students identified with dyslexia in the 23-24 school year: 11

ECSC will continue to monitor and track data. The data will be made available on the corporation's website and the school's reading plan each year. Each academic year, ECSC will continue to report the intervention program(s) used, the number of students who received dyslexia intervention(s), and the total number of students identified with dyslexia during the school year.
