The initial cost of the criminal history check is the responsibility of the employee. Phone contact is acceptable during a school break or after school hours. The staff member needs to confirm to the building administrator that a report has been made directly to DCS. The DCS's Indiana Child Abuse and Neglect Hotline is **1-800-800-5556**. Staff members are expected to accurately and confidentially document all suspicions of child abuse or neglect. All confidential records should be kept in either a school administrator's office or a school counselor's office. Information concerning alleged child abuse of a student is confidential information and is not to be shared with anyone other than the administration or the agency to which it is reported. Failure to report child abuse may result in discharge and criminal prosecution.

## **ARTICLE II DISCIPLINARY ACTION/PROCEDURE**

Elwood Community School Corporation strives to fulfill its stated mission and at the same time help employees achieve and maintain the highest standards of productive employment. Disciplinary action, however, may be necessary to address conduct that does not comply with the Elwood Community School Corporation Mission Statement, Rules of Conduct, or other conditions of employment.

### **A. Rules of Conduct**

Rules are needed in any organization so that the operation runs smoothly. The following rules exist because they are essential for the safety, welfare, morale, and general well-being of our students and co-workers. A violation of one or more of these rules may result in a reprimand, suspension, or dismissal.

The following behaviors may subject an employee to immediate dismissal or other disciplinary action without previous warning:

- falsifying employment application;
- refusal to do the job assigned, or deliberate inefficiency/slow work production;
- severe and/or persistent incompetence;
- fighting, immoral behavior, or indecency
- intoxication or drinking on duty
- use, sale, or possession of controlled substances on the job;
- use of tobacco products on Elwood Community School Corporation property, including smokeless tobacco and e-cigarette;
- intentional release of confidential information;
- falsification of payroll sheets or other Elwood Community School Corporation records, including, but not limited to, writing time in or out on another employee's payroll sheet;
- excessive absenteeism and/or absence without approval of supervisor;

- failure to report an arrest and/or conviction of criminal charges to the Superintendent or design within two (2) business days of the occurrence.

Other conduct deemed out of compliance with the mission of Elwood Community School Corporation, though not listed, may be grounds for disciplinary action or dismissal.

### **B. Discipline Procedures**

In the event it is necessary to take disciplinary action, the employee's direct supervisor, the building principal, or the Superintendent may follow these steps to encourage improvement for an employee who has exhibited poor work habits or prohibited conduct:

- |        |                 |
|--------|-----------------|
| Step 1 | Verbal warning  |
| Step 2 | Written warning |
| Step 3 | Termination     |

The main purpose of having a disciplinary procedure is to give employees the opportunity to correct and improve their conduct. In some instances, suspension or termination without prior warning may be imposed due to the seriousness of any individual offense. Thus, Elwood Community School Corporation reserves the right to suspend or terminate any employee without prior notice and without utilizing the steps outlined above.

#### 5. Classified Staff Time Clock/Time Cards

Verifying hours worked is an important employment procedure. The time clock/time card must reflect actual hours worked. If the employee is absent, he/she must indicate the reason for the absence as follows:

- Personal
- Vacation
- Unpaid (must be approved in advance)
- Bereavement (must indicate the relationship of the deceased)
- Jury Duty (attach court document that indicates per diem payment)
- Holiday (only if eligible for vacation pay)

Each employee is responsible for the accurate recording of time worked, utilizing the time clock system. Based on the State Board of Accounts, this is needed for all classified staff except classified administrators. If a mistake is made or if the employee forgets to clock in/out, they must notify their supervisor or building secretary. An employee should never clock in or out for another employee. Only those employees given supervisory rights may make corrections to a time clock/time card. Falsification of time records is a violation of the terms of employment and may result in immediate termination.

## **6. Overtime**

Overtime is paid for all hours physically worked in excess of forty (40) hours per work week. The rate of pay for overtime is one and one-half (1½) times the normal rate. Prior approval from the Superintendent and/or employee's supervisor for the overtime work must be given.

## **7. Work hours and Pay during Inclement Weather**

Maintenance/Custodial - Maintenance and custodial staff should plan to work their normal schedule. If this is changed, the Director of Maintenance will make contact with employees.

Food Service - Cafeteria Managers will set schedules for two-hour delays and closings.

Office Staff - School office and district staff should report to work at their normal time on a delay. If they are not able to make it on time, they should communicate with their direct supervisor. If school is canceled, school office staff do not report to work; however, district staff should work with their supervisor on these days.

Instructional Assistants - Instructional Assistants will follow the student schedule during a delay or closing. If you have work to complete, please work with your supervisor on working these hours.

## **8. Work Hours during Weeks with Less than Five Student Days**
