General School Information

ABSENCE REPORTING PROCEDURE

Whenever possible, notification of the absence should precede the absence. In the case of illness, a call should be made during the morning of the day of the absence. **Call 552-1900 and listen to directions for reporting your child's absence at Elwood Elementary.** If no call is received by 8:30 a.m., an attempt will be made by the school office and/or the attendance officer to call or contact the parents. Students should not telephone or write a note to the school for their own absences. Failure to notify the school shall result in the absence counted as an unexcused absence. **After five (5) absences** in a semester, a letter will go home concerning the number of absences. **After eight (8) absences** in a semester, another letter will go home asking the parents to contact the school principal. If excessive unexcused absences have occurred, a hearing may be called with the parents and school personnel to discuss the attendance problem. *Refer to the Elwood Community School Corporation Discipline, Attendance and Homework Policy Handbook (DAH) for Entire Attendance Policy.*

ABSENCES - PREARRANGED

Parents or guardians are to complete and return the prearranged student absence request form to the school prior to the student's absence. These forms may be picked up at the school office. Whether the absence is considered 'Excused' or 'Unexcused' will be determined by administrators on a case by case basis. Refer to the *DAH Handbook* for more information on this topic.

ABSENCES - TARDY TO SCHOOL

Elwood Elementary School recognizes a need to instill a habit of promptness within students. Tardiness not only hinders the learning of the tardy student, it often interrupts, for a time, the educational atmosphere of the entire classroom. **Excessive tardies will result in a conference with the parents.** When a student accumulates five (5) or more tardies, a tardy letter will be mailed to parents. A conference will be called after the 8th tardy to school. Please refer to the DAH Handbook for "excessive tardies."

ACCIDENTS OR INJURIES

If you are involved in an accident or are injured in any way at school or at school sponsored activities, you are to notify your teacher, coach or the office as soon as possible. An accident report form will be completed and placed on file in the office.

ADDRESS/TELEPHONE CHANGES

Whenever a change of address or telephone number occurs, it is the responsibility of the parent or guardian to contact the school office in order to keep student residency current. This information is very important for emergency situations and general communication purposes between home and school. Please see that your child's records are kept accurate and up to date.

APPEARANCE & CLOTHING

The School Board recognizes that each student's mode of dress and grooming is a manifestation of personal style and individual preference. The Board will not interfere with the right of students and their parents to make decisions regarding their appearance, except when their choices interfere with the educational program of the schools.

Accordingly, the Superintendent shall establish such grooming guidelines as are necessary to promote discipline, maintain order, secure the safety of students, and provide a healthy environment conducive to academic purposes. Such guidelines shall prohibit student dress or grooming practices which:

- A. present a hazard to the health or safety of the student himself/herself or to others in the school;
- B. interfere with school work, create disorder, or disrupt the educational program;
- C. cause excessive wear or damage to school property;
- D. prevent the student from achieving his/her own educational objectives because of blocked vision or restricted movement.

Please mark your child's name on all articles of clothing and personal property. This is very important. Each year, items and articles of clothing are lost and/or unclaimed. Students should dress according to the weather and in clothes that are comfortable, clean and age appropriate in accordance with school policy.

ARRIVAL AND DEPARTURE

The doors will open at 7:30 a.m. Students will go to the classrooms at 7:30 a.m. and class will begin at 7:50 a.m. Free breakfast is available during this time.

Arrival: Students will report to class between 7:30 and 7:50 a.m.

Dismissal: Dismissal is 2:20 p.m. for bus riders and 2:25 p.m. for car riders.

Buses: Buses will pick students up on **the north side** of the building on North J Street

Car Riders: Pickup locations for car riders are as follows:

Kindergarten: West Door at Alley (Door 4)

First Grade: Sun Room Door

Second Grade: Sun Room Door

Early Dismissal: When possible, medical and dental appointments should be made outside school hours. A request to have a student excused from class early should be sent with the student the morning of the dismissal. The time and reason for leaving should be included. The student will remain in the classroom until the teacher is notified by the office to release the student. ***The parent, or authorized person, in PowerSchool must report to the office and sign the student out. If your child is going home a different way than normal, you must log into Pick Up Patrol to input the changes.***

BACKGROUND CHECKS

Our background check program is called Safe Visitors Solutions. We require parents who plan to visit for 8 hours or less to scan their driver's licenses for security checks. We are encouraging parents to obtain the "expanded background check" which will last for five years. Anyone who plans on attending a field trip or a classroom party with their child this year, **must** complete a background check prior to the event. To complete this process, please follow this link <https://secure.safevisitor.io/Safe/Volunteer/000988> and choose 'Volunteer' from the drop-down menu. This background check lasts for five years. If you have done this recently, you may call the front office to check if your background check on file is still active. Please allow several days, or more, for this to go through. Any background check that is returned with an alert will be reviewed by administration. All decisions on approval of the background check will be made on a case by case basis by administration.

BREAKFAST AND LUNCH SCHOOL BOARD POLICY

1. If parents or guardians bring restaurant food, the child will be asked to eat outside of the cafeteria during the school lunch period.
2. "Healthy beverages" as defined by the U.S. Department of Agriculture may be carried into any cafeteria in the Elwood Community School Corporation. Healthy beverages are defined as water, milk, fruit drinks with at least 50% fruit juice, vegetable drinks and 100% fruit juices.
3. Prior arrangements with the cafeteria manager are needed for the cafeteria to refrigerate items for students.
4. Public vending machines which offer beverages that do not meet the definition of "healthy beverages" may not be operational from 7:00 a.m. to the end of the school day.
5. Public vending machines that do not offer at least 50% healthy snacks may not be operated in any school within the Elwood Community School district at any time.
6. Children with specialized dietary needs due to medical reasons must provide doctor verification with specific substitutions listed in order to bring in items for consumption that may be restricted by the above policies. A doctor's written statement will be required if juice is required as a substitution for milk with a school lunch. The doctor's statement will be kept on file and must be renewed every year.
7. When a student in grades pre-K-6 does not have funds for a meal, the student will be provided a regular lunch. The cost of this meal will be added to the student's account. Once an account reaches a negative balance over \$20, the student will be offered an alternative lunch consisting of a peanut butter & jelly sandwich, fruit, and milk. This meal will be offered at a charge of \$0.40 cents.
Payments can be made using lingconnect.com or by sending a check or cash with the student.

BULLYING

"Bullying is defined as overt, unwanted, repeated, and physical acts, aggression, or other behaviors committed by a student or group against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the targeted student." (IC 20-33-8-0.2) In compliance with Indiana code, Elwood Elementary has a "Bullying Plan." Elwood Elementary School will not tolerate bullying acts. Students should report acts of bullying to an adult staff member. Elwood Elementary School

takes proactive action to educate students and staff about bullying through convocations/speakers and other professional opportunities. Alleged acts of bullying may be addressed through: One-on-one conferences with students, parent contact, group counseling, etc. In bullying matters, the building administrators will determine the disciplinary action for the inappropriate behavior. (Refer to the *DAH Handbook* for more information).

BUS INFORMATION

Riding the school bus is a privilege. This privilege can be taken away from students who engage in disruptive or unsatisfactory behavior. All children being transported are under the authority of the bus driver and must follow directions for safety. If your child is going home a different way than normal, you must login to Pick Up Patrol to input the changes. Without a note, they will follow normal procedures for going home. **Please remember that an adult must be present at your child's bus stop for kindergarten and first grade students.** Students who do not follow bus rules will receive conduct reports which may lead to loss of privileges to ride buses.

CARE OF TEXTBOOKS, LIBRARY BOOKS, ETC.

Students are responsible for all textbooks and library books issued to them during the school year. All lost or damaged books must be paid for by the end of the year. All monies collected are recorded by the school treasurer and paid to the proper fund for replacement purposes. If a lost book is found in acceptable condition, money paid will be refunded.

CELL PHONES

Effective July 1, 2024, Indiana law, IC 20-26-5-40.7, requires school corporations to prohibit the use of “wireless communication devices” by students in the classroom. The law contains a definition of wireless communication devices, which includes cell phones and smart watches. The law does provide for exceptions to the statutory prohibited use of these devices which include permission to use if given by a teacher, the device is needed for the student to carry out provisions of their IEP or 504 plan, or the use of the device is needed to manage the student’s health care.

Cell phones, smart watches, and other cellular communication devices should be powered off and in backpacks during the school day. Students who have cell phones powered on or out of backpacks during the school day will receive consequences. Please see the Discipline Matrix on for the consequences.

CHILD ABUSE AND NEGLECT

Any person who has a reason to believe a child (student) is a victim of abuse or neglect has a duty to make a report to the Department of Child Services (DCS) or the police. If anyone suspects a child is being abused or neglected, a report should be made immediately to the Hotline at: 1-800-800-5556 or to law enforcement. All school staff and personnel are considered mandatory reporters by the state of Indiana.

COMPUTER/CHROMEBOOK USE EXPECTATIONS

We expect our students to follow the corporation's Acceptable Use Policy. The use of technology at school is a privilege. Misuse and/or damage of computer hardware, software, Internet access, or furniture will result in loss of computer privileges for a period of time, repair or replacement costs and/or disciplinary action. Chromebooks and chargers will remain at school unless there is a scheduled eLearning day or a threat of severe weather.

DISCIPLINE, ATTENDANCE AND HOMEWORK POLICY

Students are provided the Elwood School Corporation's "School Discipline, Attendance and Homework Policy" in a separate booklet. Parents/guardians should review the following matrix with their children. The matrix is a guideline used by administrators, however final disciplinary action is up to administration discretion.

EES DISCIPLINE MATRIX

With each consequence a call home to communicate with the families will be made.

Students restart the behavior matrix after 4-6 weeks of no problem behavior.

DRUG, ALCOHOL AND TOBACCO POLICY

The Elwood School Corporation is a “Smoke Free” establishment. Possession of tobacco, alcohol, or illegal drugs is prohibited on smoke free school grounds and on school associated field trips. If this situation occurs, parents will be contacted, and punishment administered according to the Elwood Community School Corporation Discipline, Attendance and Homework Policy Handbook.

EMERGENCY SCHOOL CLOSINGS/ SCHOOL MESSENGER NOTIFICATION SERVICE

Please keep your phone numbers current and correct at all times for our School Messenger Notification Service. This message will inform you of school delays, closings, emergency messages, attendance issues, etc. To sign up, go to:

Go online to www.elwood.k12.in.us

Go to “Guardians” and click on the drop down menu

Go to “Emergency Alert System”

Click on “Access Instructions” and “Preference Account Instructions” to finish

FIELD TRIPS

Students must have signed written permission slips on file before attending field trips. Parents must have a background check on file and must drive themselves. All parents attending a field trip are considered a chaperone and will be assigned duties to ensure the safety of our students. Our background check program is called Safe Visitors Solutions. Possession of a weapon of any kind, tobacco, alcohol, or illegal drugs is prohibited by both adults and students on smoke free school grounds and school associated field trips. Parents must obtain the “expanded background check” which will last for five years. Go here to sign up:

<https://secure.safevisitorsolutions.com/Safe/Volunteer/000988/VOLUNTEER>

FIRE, TORNADO & SAFETY DRILLS

Fire, tornado and safety drills are held at scheduled times throughout the school year. Students are taught and will practice these procedures regularly and will be expected to follow the procedures for the safety of all.

FOOD & DRINK

Out of concern for children’s allergies and other health related issues, parents will need to purchase pre-packaged food items for birthdays, classroom parties and other celebrations throughout the year. All water bottles must be clear and contain only unflavored water.

GRADING SYSTEM

Elwood Elementary School reports information on student progress to parents using a Standards-Based Report Card in PowerSchool. The rubric below is used to communicate student progress within each standard for the designated quarter.

Key for Performance Levels	
4	Meeting expectations without support (This is the goal!)
3	Meeting expectations with support

2	Progressing toward expectations
1	Not meeting expectations

HOMEWORK

Homework may be assigned to students on a regular basis as a way to supplement and strengthen the student’s regular class work. Students who have been ill and absent from school may request homework assignments from their teachers. **Students will have the same number of days that they were absent to make up the work.** Parents are encouraged to contact the school office early in the morning regarding pickup of textbooks. Information regarding student homework is contained in the school corporation's *Homework Policy*.

IMMUNIZATION HISTORY

The governing body of a school corporation shall require the parents of a child who has enrolled in a school corporation to furnish, no later than the first day of school, a written statement of the child’s immunizations, accompanied by the physician’s certificates or other documentation, unless a written statement of this nature is on file with the corporation. Please see the Student Discipline, Attendance and Homework Policies for more information on immunizations.

MEDICATION

The following rules should be considered if a student must bring medication to school.

1. **All medication is to be turned in to the office – not kept in desks or classrooms.** The only exception is an inhaler. Parents must notify the school nurse of the need for their child to carry an inhaler, the prescription name, and dosage.
2. **Medication must be sent to school in the original container.**
3. **All controlled medications must be brought to school by a parent or guardian. Parents and guardians will be asked to count the medication with a nurse and then sign a form stating that they have turned the medication over to the school nurse.**
4. Before medication of any type will be administered, a form from the school office must be filled out completely and turned in. This form will be kept on file for the balance of the school year for nonprescription medication, or for the length of the prescription.
5. A log of each time a child takes medication will be kept on file in the health room.

A complete corporation medication policy is available for parent review.

NONDISCRIMINATION POLICY

The School Board declares it to be the policy of this corporation to provide an equal opportunity for all students, regardless of race, color, creed, age, disability, religion, gender, ancestry, national origin, place of residence within the boundaries of the Corporation, or social or economic background, to learn through the curriculum offered in this corporation.

POSITIVE BEHAVIOR INTERVENTION SUPPORTS

Positive behavior intervention and supports is a system of strategies and tools for defining, teaching, acknowledging appropriate expected behavior, and correcting unexpected behavior. PBIS focuses on behaviors that are expected, with the belief that students will choose to behave in the expected ways. The goal is to reduce school disruption and increase student success. The main components of PBIS include:

- Identifying expected behaviors
- Teaching, modeling and practicing what those behaviors look like, sound like, and feel like
- Praising appropriate behavior with private or public acknowledgement, and measuring outcome data to determine successes and barriers to reaching the desired goal

Here are some strategies EES uses to help implement PBIS.

- Positive office referrals
 - Students are sent to the office for making respectful, responsible, and safe choices. They will receive certificates and treats, positive phone calls home, and extra recess on Fridays with Mrs. Brophy and Mr. Foster.
- PBIS Reward System
 - Students can earn hole punches on cards for showing positive behaviors from any staff member in the building. These cards can be turned in for items and experiences that the students can purchase from the office.
- Students of the Week
 - Teachers will nominate one student from their classrooms for Student of the Week. This student will come down to receive his/her certificate, get a picture taken, and receive ice cream during lunch.

RECESS

EES students receive recess each day. Generally speaking, children will go outside unless there is precipitation or wind chill and/or temperatures below **20** degrees. It is important that children are dressed appropriately for the weather. When weather prevents outside recess, students will have recess in the classrooms.

REPORT CARDS

Standards based report cards are issued quarterly (every 9 weeks) and will be available via PowerSchool. Quarters 1-3, the report card will be sent home with the child. The envelope needs to be signed and returned. The Quarter 4 report card will be mailed home and can be kept at home.

RETENTION POLICY

Beginning with evaluations administered in the 2024-2025 school year, Senate Bill 1 (1) Requires retention of a student in grade 3 in addition to remediation if the student has not achieved a passing score on the evaluation. (2) Requires schools to notify a student's parent of certain assessment results, interventions, or remedial actions provided to the student. (3) Requires schools to monitor the progress of students who have failed to achieve a passing score on the evaluation or the statewide assessment program test. (4) Requires schools to provide reading instruction aligned with the science of reading to all students in kindergarten through grade 8. (5) Requires schools to administer the evaluation to students who are in grade 2. (6) Requires a student to take the evaluation until certain conditions are met. (7) Requires school reporting on interventions for certain students at risk of not being reading proficient and for certain students who do not achieve a valid passing score on the determinant evaluation of reading skills. Creates exceptions to the grade 3 retention requirement for a student who meets certain criteria. Provides that if a student does not achieve a 90% attendance rate in a summer reading course, the student is required to participate in an individual reading plan in the following school year.

SAFE SCHOOL TIP LINE

Report tips on bullying, harassment, drugs, vandalism, threats of violence, or any safety issue they are concerned about through SafeSchools Alert, a tip reporting service that allows students, staff, parents, and community members to submit safety concerns to our administration five different ways:

1. App: Search for "SafeSchools Alert" in the App Store to download for free (Instructions are on the back of this letter.)
2. Phone: 765.536.3042
3. Text: Text your tip to 765.536.3042
4. Email: 1791@alert1.us
5. Web: <http://1791.alert1.us> When you submit a tip, be sure to use our district's identification code: 1791 in your communication.

SEARCH AND SEIZURE

A school administrator or designee may search a student if there is reasonable cause for the search. This search may include pockets, purses, bags, shoes, and lockers/desks.

SOCIAL WORK

Social work services are available to students. The social worker's purpose is to help students, teachers, and parents in understanding our students' needs. Students may be referred to the social worker by themselves, parents, teachers, other students, or administrators. The social worker may also request conferences with students about matters of general interest. Students are encouraged to become acquainted with the social worker. Social workers are trained to listen to and assist children. Aspire counseling is also available for those who qualify for school based services. Referral forms are available.

VISITING & COMMUNICATING WITH THE SCHOOL

1. For a safe environment, our doors will be locked during the school day. Please ring the doorbell and use the intercom system when visiting.
2. All visitors must report to the office and present a state issued ID in order to receive their badge.
3. Badges must be worn and visible during your visit.
4. Parent/Teacher Conferences will be scheduled in the fall. Please join us to discuss your child's education, or we will arrange phone conferences or home visits if you are unable to attend.
5. Parents are encouraged to call a child's teacher at a time when classes are not in session. It is extremely important for us to have a telephone number in PowerSchool so that we can reach you in case of an emergency. **If you do not have a telephone, please use a close friend, relative, or neighbor's number where you can be reached.** If you would like to schedule a meeting with a staff member of EES you will need to call or email that person to set up a meeting time. This goes for teachers and/or administrators.
6. Teachers/Administrators are entitled to have 24 hours' notice for conferences.
7. Due to student safety, parents will not be allowed in the building unless an invite is extended. This will allow us to better track who is in the building to keep our students and staff safe. This includes lunch time visits.
